

Digital Choice Challenge

Options in a variety of computer programs.

**Earn 100 points or more by the END
of the challenge.**

(think 10 points per day)

Challenge Objective

- Students will be **self-directed learners** who are engaged in artistic activities of their choice.
- Students will be **problem-solvers**, figuring out how to do projects on their own, using daily demos, book, computer and peer resources.

Ask 3 before me!

Challenge Grading

- Students will **earn points** for each project based on both effort and quality. *Ms. G is the final judge on the number of points earned.*
- Students will also be graded on daily participation and **reflection of learning.**

No Evidence = No Points!
