## Activity:

In a small group make a **flow chart** of different art making skills you would like to know and how you might learn them.

Starting with one of the examples from the video. A reference picture that the artist liked, how he adapted it to his art, what tools and art media he used to do that and what skills and techniques he used.

He visited the Philadelphia Museum of art

He saw an artwork by Marcel Duchamp

Abstract it to geometry

He wanted to take it from 3-D to 2-D

He translated a foot like shape of the bride into a spot on his design

**Example Flow Chart**

**Artistic Habit:  
Develop Craft**

Learn how to draw real eyes

Look up tutorials on line

Look at some eye pictures and do more drawings

Draw along with the video to mimic the art

Take a picture of an actual eye and draw it

## Example Flow Chart

Artistic Habit:  
Develop Craft

Plan a flow chart of an **art making skill** you would like to learn and how you might get that skill.

## Reflection:

Answer this question in your Artistic Habits part of your sketchbook.

What **art making skills** do you want to learn this semester and what are some **resources you might use** to learn them?

(example)

*I want to learn to draw realistic eyes. To learn this I will watch some videos, draw from pictures and practice a lot!*
