

Grading categories!

Communication

- The theme is easily understood using only images.

Creativity

- If reference pictures are used, they are not copied and combined in a new creative way.

Craftsmanship

- Time and Effort were applied to create an artwork that is neat, colored completely and drawn with detail.

Exceeds Standard (L4)

- ✓ The artwork tells a story that is **EASILY understood by ANY viewer** and fits the theme (Communication)
- ✓ **ALL Objects are drawn are 100% unique** and not copies of examples or other student work. (Creativity)
- ✓ 5 full class days were spent on the final draft with quality results. (Creative Process)

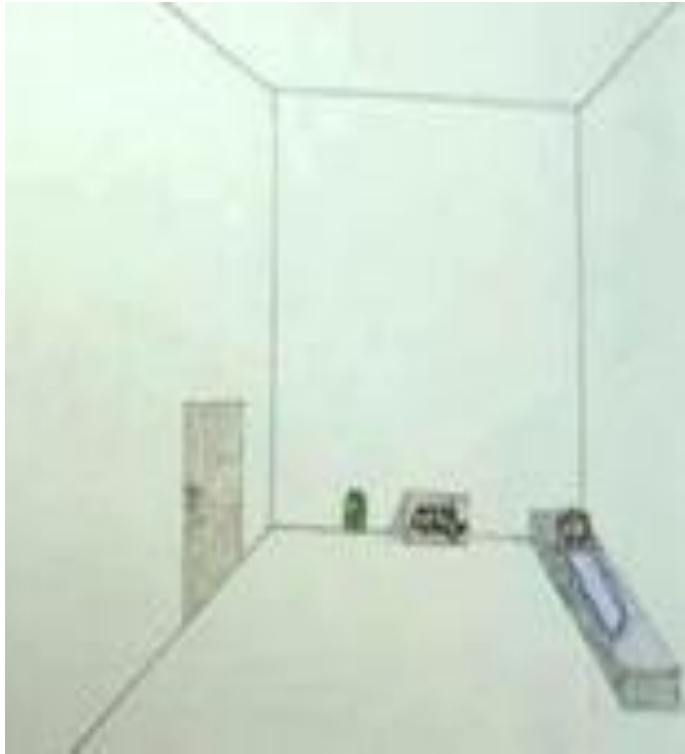

Meets Standard (L3)

- ✓ The artwork tells a story that can be understood with minimal help by any viewer and fits the theme.
 - ✓ Most Objects are drawn are unique and not copies of examples or other student work. IF reference pictures were used they were combined in a unique way.
 - ✓ 4 full class days were spent on the final draft with good results.
-

Near Standard (L2)

- ✓ The artwork tells a story but it can only be understood with the artist statement OR does NOT fit the theme
 - ✓ Objects are copies of the reference pictures or other examples, or difficult to recognize.
 - ✓ Class time was not always used wisely, but student did do some additional work at home.
-

Does Not Meet Standard (L1)

- ✓ The artwork **does not tell a story** or it can only be understood with the artist statement and/or it does NOT fit the theme.
 - ✓ Student has **obviously copied** OR traced reference pictures OR people and **objects are so poorly drawn they are unrecognizable.**
 - ✓ One or less days were spent on the final draft.
