Digital Art BINGO Challenge

Instructions: Use your AT HOME studio time to make art using these different digital websites, apps and tools. This art should be done or saved in your google drive when possible. When you FINISH a task, upload it to Artsonia to get the points. Keep doing art until you have a BINGO (horizontal, vertical or diagonal) OR GO FOR A “Blackout” (all boxes filled) Don’t Lose this bingo card!

B	I	N	G	O

Alternative: If your internet or computer access is limited... or using the programs is too confusing... you can make ANY of these same projects as paper drawings, paintings, collages or sculptures depending on the supplies you have at home. Upload photographs of your work in the same way you would turn in the digital versions.
